I'm Tal Mizrahi

I'm a UX/UI & Graphic designer with over 6 years of experience at Lotem Strategies' in-house design studio. My professional experience, combined with a B.Des from Shenkar College, have fueled my passion for detail in Everything visual, especially UX/UI.

I've worked across B2B websites and branding, and I've also explored emerging fields, applying my design skills to innovative projects, including a 3D game. Now, I'm excited to explore my next challenge.

Experience

2019 - Today

Lotem Company

Graphic, UX/UI Designer & Web developer

The past 6 years have been amazing in my job as a Graphic & UX/UI designer in Lotem strategies in-house design studio, where I Design B2B products- websites, learning capsules, Conferences, MOOCs with studio production, and taking charge of all things web. I had the honor to design the UX/UI of the company's website. I also built the Lotem online catalog, landing pages and more!

2018 - Today

Freelance

As a freelancer in my free time, I created branding & wordpress websites for clients. I worked with clients such as Living Lite blog by Daniela Haluts for logo & wordpress website, Airplants.co.il for logo & branding and more.

Koshergiving.com

Koshergiving.com is a wordpress website I built during Iron Swords war, a website destined to help philanthropes from abroad find legitimate causes to donate to, in order to help Israel in these difficult times.
